About the Foundation

The African International Foundation for Educational Excellence (AIFEE) is a Not for Profit organization committed to providing educational development in Africa.

The strategic goals of the foundation fall under the following categories:

- **Need Based Interventions**
- **Community Development**
- **Research and Assessment**
- **Education and Training**
- **Strategic Consultancy**

The specific projects of our foundation will change as the needs of the communities we serve change. The foundation board meets regularly to identify the most pressing educational needs facing communities, and also to consider the ways in which our help can bring sustainable, long lasting development of educational systems in Africa.

In addition to board member decision-making, AIFEE helps to facilitate student serving learning projects through U.S. based universities and community groups. The students who participate in these trips identify the areas in which they hope to most contribute. AIFEE is currently working directly with schools in Kenya. As our foundation grows, we will continue to broaden the impact of our work both regionally and philosophically.

How can you help?

Because of AIFEE's wide range of involvement in educational development in Africa, there are many ways to assist the foundation's work.

AIFEE can always use help with administrative tasks and community outreach. Spreading awareness of our work is an important part of our process. If time is what you have to offer, contact a board member to find out how you can get involved.

Financial contributions are a necessary need for our foundation's success. Even the smallest donation can help us to fulfill our current goals and projects.

CURRENT AIFEE PROJECTS:

1. Furnishing our Primary School Libraries with books and furniture
2. Providing needed materials for the Special Education classroom at Mwicwiri Primary School
3. Completing construction of the Kambi Village health center
4. Assisting with the planning, facilitation and financial sponsorship of the first Annual Educational Excellence conference.
5. Providing secondary school scholarships for promising students from Mwicwiri Primary School

How do I contribute to AIFEE?*

AIFEE pledges to use all contributions only according to the wishes of the donor. 100% of financial contributions go directly to current AIFEE projects and goals. Financial contributions can be made online via paypal through our website, through student ambassadors representing AIFEE, or by mail.

Name: _____

Address: _____

Phone number _____

Email: _____

My contribution is: One time \$ _____ Monthly \$ _____

I would like to help furnish our Primary School libraries with books and furniture.

Our current goal is to fill the library with 500 books, and furnish it with bookshelves, chairs, and tables. A \$5 donation buys one book!

I would like to help purchase materials for the special education class at Mwicwiri Primary School.

While this school serves many students with special needs such as Autism, there is currently no budget for the special materials needed to serve these students.

I would like to contribute to the construction of a health center in Kambi Village. *The construction of this health center is half way complete, and will provide important health care needs of students and families in and around Kambi Village.*

I would like to assist with the expenses of the Annual Educational Excellence Conference. *A gift of \$50 sponsors a teacher for the 3 day conference.*

I would like to contribute towards Secondary School Scholarships for promising students from Mwicwiri Primary School. *Secondary school is not free for students in Kenya. High achieving students are given the opportunity to attend noteworthy secondary academies, but many cannot afford the tuition and fees. The average cost for a one year secondary school scholarship is \$400. Your contribution will help families as they struggle to provide educational opportunities for deserving students.*

Please make checks payable to the African International Foundation for Educational Excellence or, AIFEE.

Mail Check to P.O Box 3072, Carbondale, IL 62902

AIFEE is a 501(c)(3) public charity. This designation ensures that the full amount of your contribution is deductible for federal income tax purposes.
