3rd Achieving Educational Excellence Conference

Theme:

Redefining Student Success through Holistic Educational Interventions

June 29-30, 2015

Karatina StarBucks Hotel
Kenya

Sponsored by the

African International Foundation for Educational Excellence (AIFEE), USA

This two day Achieving Educational Excellence conference challenges educational stakeholders to propel their educational institutions to the next level of excellence by adopting a more comprehensive and holistic definition of student success. Invited participants include school administrators, senior grade teachers, government education officers and community leaders.

Participants should come prepared to engage with conference presenters on proven and comprehensive strategies to build effective management and instructional systems, identifying and implementing timely interventions with students and motivating students to succeed. In addition, the seminars will serve as a forum to conduct a needs assessment that will inform future professional development activities spearheaded by the sponsors.
